

2004: Conference Interim Report

Conference on the Interim Report

The European Network of Education Councils organised its annual conference and General Assembly on 26 and 27 January in London. The conference focused on the interim report of the Commission about the objectives program "Education and Training 2010"

General outline

The EUNEC conference was dedicated to "*Education & Training 2010: The success of the Lisbon strategy hinges on urgent reforms*". It is the draft joint interim report of the European Commission on the implementation of the detailed work program on the follow-up of the objectives of education and training systems in Europe.

The first day of the conference was also open to organisations invited by EUNEC and the hosting council QCA.

Purpose

The EUNEC conference had two overall objectives:

- All participants have the opportunity to inform themselves thoroughly on the content of the interim report and discuss important aspects
- The education councils of EUNEC will try to formulate a common EUNEC statement to communicate to their ministers.
